

UNION VILLAGE

SIMPLY LIVING

The Village Neighborhood
Phase 1A
Initial Release Spring 2020

Simply Crafted

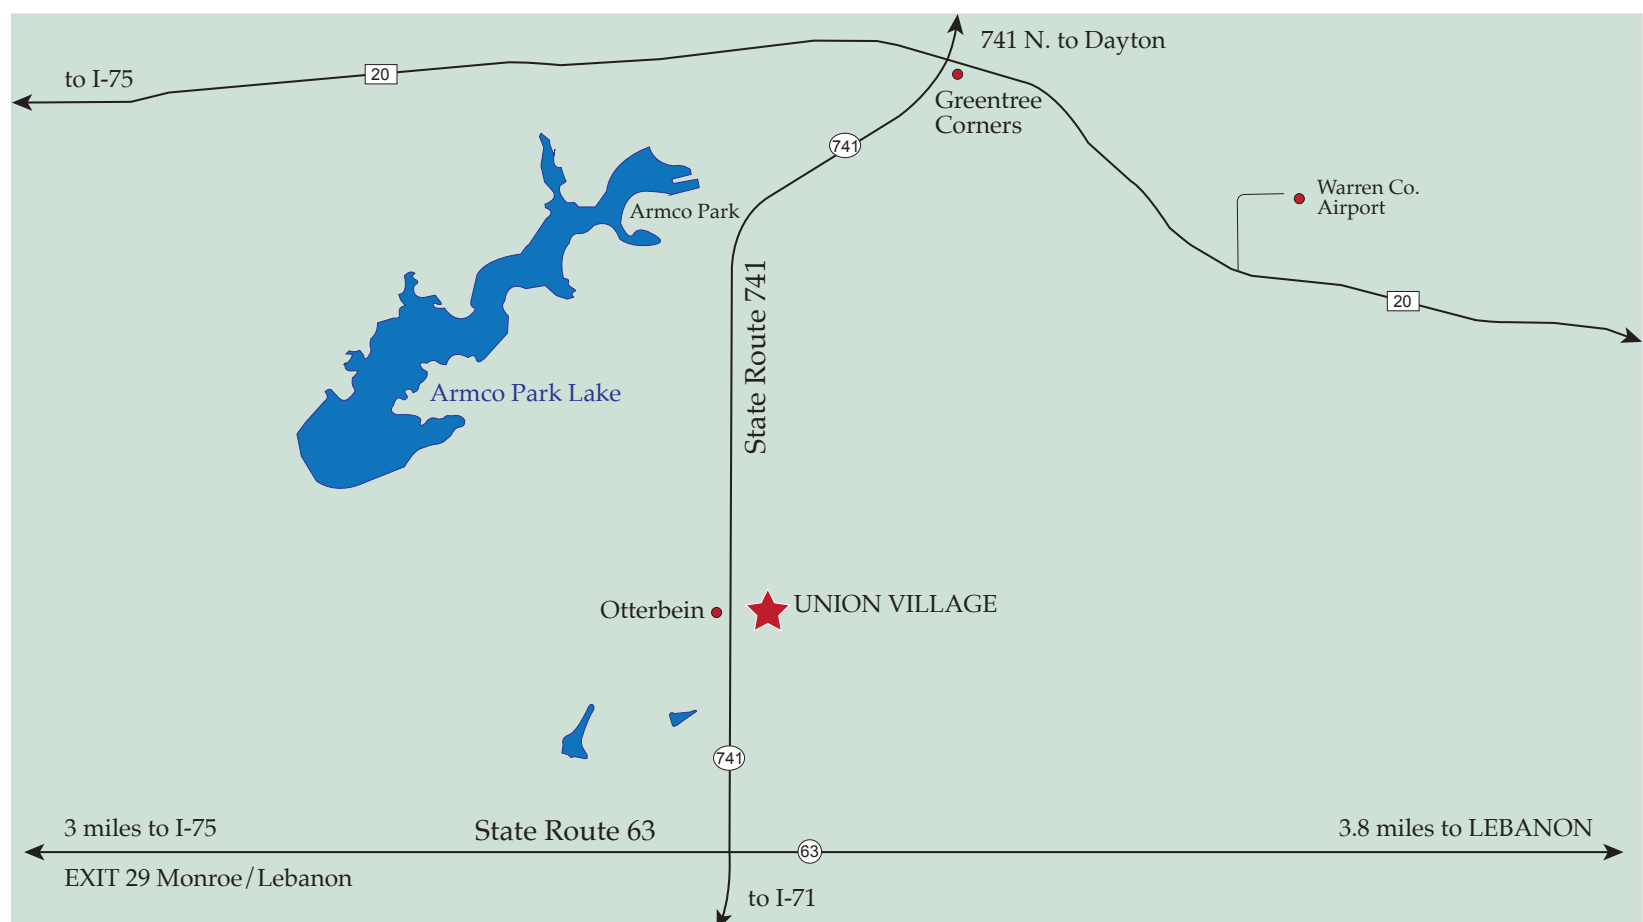

Simply Social

Simply Active

Designed by Town Planner Mike Watkins LLC, and founded on the design principles of places like Mariemont, Hyde Park, Oakwood and other great southwestern Ohio towns, Union Village is a “New Urban” master planned community made up of an assemblage of neighborhoods and hamlets that radiate from a central town square, each arranged around a smaller neighborhood green or civic space. A green network of trails, gullies, trees and parks weaves between the neighborhoods and connects them all to a nearby county park and recreational lake.

Union Village is ideally located off of Interstate-75 just 30 minutes from Cincinnati and Dayton. The town of Lebanon is only minutes East on State Route 63. The city of Columbus is less than a 90 mile drive along Interstate-71.

Warren County Armco Park and Shaker Run Golf Course are just minutes from Union Village.

Union Village Development Company | 580 N. State Route 741 | Lebanon, Ohio 45036
